Urgent Attention**

**RESULTS**

Society of Law & Literature, National Law University, Odisha in collaboration with ProBono India organized Article Writing Competition on the theme "Teaching of Legal Language in Indian Law Schools Needs Urgent Attention". We received overwhelming response from across the law schools in the country and received more than 120 articles critically analyzing various aspects and manners in which legal language is being taught in law school across India. Selected articles will be compiled by the organizers in due course of time and to be disseminated to legal education institutions, government departments/bodies and other concerned offices. This small effort will surely make a difference in the present legal education system.

Congratulations to all the winners !
